

CE DECLARATION OF CONFORMITY

Based on Low Voltage Directive 2014/35/EU - Annex IV model

1. Product model/product

[Product, type, batch or serial number]

2. Name and address of the manufacturer or authorised representative

Manufacturer: [Company name]

Address: [Full address]

Authorised representative, if applicable: [Name and full address]

3. Sole responsibility of the manufacturer

This declaration of conformity is issued under the sole responsibility of the manufacturer.

4. Object of the declaration

Product name: [Commercial/product name]

Description: [Description allowing traceability of the electrical equipment]

Model/SKU: [Identification]

Batch/serial number, if applicable: [Number]

[INSERT COLOUR IMAGE OF THE PRODUCT, IF POSSIBLE]

5. Relevant Union harmonisation legislation

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

- [Directive 2014/35/EU (Low Voltage Directive, where applicable)]
- [Directive 2014/30/EU (EMC Directive), where applicable]
- [Directive 2011/65/EU (RoHS), where applicable]
- [Directive 2014/53/EU (Radio Equipment Directive), where applicable]
- [Add other applicable Union legislation, where relevant]

6. Harmonised standards or other technical specifications

References to the relevant harmonised standards used, or references to the other technical specifications in relation to which conformity is declared:

- [Applicable harmonised standard/reference and date]
- [Applicable harmonised standard/reference and date]
- [Add further applicable standards/specifications]

7. Additional information

Signed for and on behalf of: [Manufacturer/company]

Place and date of issue: [Place, date]

Name: [Name of authorised signatory]

Function: [Job title/function]

Signature: _____

Template note

This template follows the model structure in Annex IV of Directive 2014/35/EU. Only include Union legislation and standards that actually apply to the electrical equipment. If the Low Voltage Directive does not apply to the product, use the declaration model required by the applicable Union harmonisation legislation instead.
